Proposed collection; 60-day comment request

Evaluation of Center for Global Health's (CGH) Workshops (NCI)

SUMMARY: In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, for opportunity for public comment on proposed data collection projects, the National Cancer Institute (NCI), National Institutes of Health (NIH), will publish periodic summaries of proposed projects to be submitted to the Office of Management and Budget (OMB) for review and approval.

Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

TO SUBMIT COMMENTS AND FOR FURTHER INFORMATION: To obtain a copy of the data collection plans and instruments, submit comments in writing, or request more information on the proposed project, contact: Sudha Sivaram, Program Director, Center for Global Health, National Cancer Institute, 9609 Medical Center Dr., RM 3W528, Rockville MD, 20850 or call non-toll-free number 240-276-5804 or E-mail your request, including your address to: sudha.sivaram@nih.gov. Formal requests for additional plans and instruments must be requested in writing.

COMMENT DUE DATE: Comments regarding this information collection are best assured of having their full effect if received within 60 days of the date of this publication.

PROPOSED COLLECTION: Evaluation of Center for Global Health's (CGH) Workshops (NCI), 0925-NEW, National Cancer Institute (NCI), National Institutes of Health (NIH).

Need and Use of Information Collection: This submission is a request for OMB to approve the Evaluation of Center for Global Health's (CGH) Workshops for three years. These workshops are organized and funded by the National Cancer Institute's CGH in conjunction with various partners ranging from foreign Ministries of Health and research institutions, to international non-governmental organizations (NGOs) and U.S. academic institutions. The workshops to be evaluated are the Symposiums on Global Cancer Research, Workshops in Cancer Control Planning and Implementation, the Summer

Curriculum in Cancer Prevention, Women's Empowerment Cancer Advisory Network Workshops (WE-CAN), Regional Grant Writing and Peer Review Workshops and other similar workshops. While these workshops differ in content and delivery style, their underlying goals are the same; they intend to initiate and enhance cancer control efforts, increase capacity for cancer research, foster new partnerships, and create research and cancer control networks. The proposed evaluation requests information about the outcomes of each of these workshops including 1) new cancer research partnerships and networks 2) cancer control partnerships and networks, 3) effects on cancer research, and 4) effect on cancer control planning and implementation efforts. The information will be collected 3-12 months after the workshops and is needed to evaluate the effectiveness of these workshops in order to inform future programming and funding decisions.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 203.
